The Elica Group has been active in the kitchen hood and stoves market since the 1970's. Chaired by Francesco Casoli and led by Giulio Cocci, today it is the world leader in terms of units sold. It is also a European leader in the design, manufacture and sale of motors for central heating boilers. With approx. 3,700 employees, the Elica Group has seven plants, including in Italy, Poland, Mexico, India and China. With many years' experience in the sector, Elica has combined meticulous care in design, judicious choice of materials and cutting edge technology guaranteeing maximum efficiency and reducing consumption, making Elica the prominent market figure it is today. The company has revolutionized the traditional image of the kitchen cooker hood: it is no longer seen as simple accessory but as a design object which improves quality of life.
