Elica, a market player since the 1970's, is the leading global manufacturer of range hoods and hobs and of motors for domestic ventilation. Chaired by Francesco Casoli and led by Giulio Cocci, the Group has seven plants, including in Italy, Poland, Mexico and China and employs more than 3,100 people. With many years' experience in the sector, Elica has combined meticulous care for design with judicious choice of high-quality materials and cutting-edge technology to guarantee maximum efficiency and low energy consumption, making the Elica Group the prominent market figure it is today. This has enabled the Group to revolutionise

the traditional image of kitchen hoods: they are no longer seen as a simple accessory but as a design element that improves the quality of life.
